

**Celebrate Public Health
2022 Sponsorship Opportunities**

Celebrate Public Health

May 3-5, 2022

Scheman Auditorium, Ames, IA

Virtual access through [Pheedloop](#) platform

The annual **Public Health Conference of Iowa** is the place to join with Iowa's public and environmental health professionals working to promote and protect public health for all.

This 3-day hybrid conference, in-person at Scheman Auditorium on May 3 & 4 and virtually all three days, will consist of keynote speakers, concurrent session presentations from colleagues across the state, poster presentations, and wellness breaks. Exhibit in-person and at the virtual exhibit hall while connecting with public health professionals across Iowa. With an average attendance of 500 individuals each of the last three years, the PHCI is the optimal place to build brand awareness with hundreds of attendees and other exhibitors. Learn how your organization can stand out at Iowa's largest annual gathering of public health professionals.

The PHCI planning team has partnered with Diversified Management Services (DMS) to organize the conference and event sponsorship. If you have any questions, please contact Stacey at snay@assoc-mgmt.com or 515-282-8192. **Please make your commitment by March 1, 2022.**

Why Sponsor/Exhibit at PCHI 2022?

PHCI 2022 is a Hybrid Conference at Scheman Auditorium in Ames, and virtually via Pheedloop platform. All attendees will have access to the conference virtual platform through their computer or mobile device during the event and up to 30 days following the conclusion of the conference. You will have the opportunity to connect with over 500 public health professionals and students from across Iowa and the Midwest!

- **Two sponsor/exhibitor opportunities in one!**

- Personally connect and network with in-person attendees at your conference exhibit table at Scheman Auditorium
 - Face-to-face interaction
 - Share your educational or promotional materials
 - Build connections and increase your network of professionals
- Personally connect with virtual attendees through the interactive virtual exhibit hall and network through private chats.
 - Real-time notification of all visitors to your virtual booth
 - All visitors logged in your virtual booth for asynchronous communication
 - Interact with attendees through real-time private chat or private video conference

- **Brand Awareness**

- Sponsor logos visible to hundreds of attendees and other sponsors/exhibitors
 - One-click to your website, email, and social media
- Interactive exhibit hall and ability to load marketing/educational materials and videos
 - Upload unlimited files directly to your booth
 - Upload unlimited YouTube or MP4 videos directly to your booth
- Live video presentations/videos for up to 25 conference participants at one time
 - Replicates on-site booth experience
 - Live chat between participants

- **Networking**

- Several sponsorship opportunities to connect with your target audience or create your own sponsorship
- Network with all conference attendees, sponsors, and exhibitors
- Opportunity to create new partnerships with public and environmental health professionals, students, and organizations
