“The whole HHRA team enjoyed our opportunity to meet with so many dedicated public health professionals during the **Public Health Conference of Iowa**. We were pleased that so many attendees are deeply, and often personally interested in food and ag-centric public health science. Our **Keynote Sponsorship** was a **great investment** in growing our network of Alliance members in the heart of the Heartland.”

Heartland Health Research Alliance

“Every year, our organization **values exhibiting** at **PHCI** as a way to support the culture of public health in Iowa and to share our mission and resources with passionate Iowans who care about healthcare and health just as much as we do!”

Rachel Schramm, Program Manager, Iowa Cancer Consortium
